

Rationale

GYNO CARE COST Action (CA18117) is a European network for Gynaecological Rare Cancer research: From Concept to Cure. It aims to develop new approaches to improve the diagnosis and treatment of rare gynaecological cancers (RGCs). For this purpose, GYNO CARE intends to create a unique network between key stakeholders covering distinct domains from bench to bedside in the field of RGCs. This two day conference will cover the various important aspects relevant to RGCs. The current state of the art, and even beyond the state of the art, in the field of basic and translational research in RGCs, will be presented. Ongoing and future innovative clinical trials for RGCs will be discussed with the aim of designing personalized cure. The basis of and advances in pathological diagnosis of RGCs will be outlined. The ultimate aim is to bridge the gap between industry and biotechnology companies and translational research in RGCs, to overcome challenges in this area.

Organizers

Antonio Giordano - University of Siena & Temple University
Maurizio Guida - University of Naples Federico II
Francesca Pentimalli - LUM University Giuseppe Degennaro
Renato Franco - University of Campania Luigi Vanvitelli

Scientific Committee

Jean Calleja Agius - (CA18117 Chair) University of Malta
Riccardo Di Fiore - University of Malta
Michelino De Laurentiis - National Cancer Institute of Naples IRCCS Pascale
Michele Caraglia - University of Campania Luigi Vanvitelli

Faculty

Evzen Amler	Vera Dimitrievska	Aljosa Mandic	Sergio Sandrucci
Riccardo Audisio	Renato Franco	Valeria Masciullo	Monika Sobocan
Neville Calleja	Massimiliano Galdiero	Pietro Micheli	Yashwanth Subbannayya
Jean Calleja Agius	Cristina Clare Gallegode Lary	Chiara Mignogna	Gligor Tofoski
Vito Chiantera	Gemma Gatta	Marco Montella	Irina Tripac
Nicola Colacurci	Francesca Gimigliano	Sureyya Ozcan Kabasakal	Jacopo Troisi
Neil Conlon	Antonio Giordano	Francesco Pegreffi	Mariela VasilevaSlaveva
Luigi Coppola	Maurizio Guida	Francesca Pentimalli	Gianfranco Zannoni
Francesco Cosentino	Klejda Harasani	Myriam Perrone	Silvia Zappavigna
Danica Cujic	Ylva Kaiser	Antonio Raffone	
Stephanie Darmanin	Francesco Legge	Carlo Ronsini	
Anna De Filippis	Domenica Lorusso	Vanda Salutari	

Il corso è accreditato presso l'AGENAS con numero 5357 - 376327 e dà diritto a 11 crediti formativi.

Accreditato per:

- MEDICO CHIRURGO: Anatomia Patologica; Biochimica Clinica; Ematologia; Chirurgia Generale; Genetica Medica; Ginecologia e Ostetricia; Laboratorio di Genetica Medica; Medicina Fisica e Riabilitazione; Medicina Generale (Medici di Famiglia); Medicina Interna; Oncologia; Radioterapia; Radiodiagnostica; Urologia; Ortopedia e Traumatologia; Psichiatria;
- FARMACISTA;
- INFERMIERE;
- OSTETRICA/O;
- PSICOLOGO: Psicologia; Psicoterapia;
- FISIOTERAPISTA;
- BIOLOGO;
- TERAPISTA OCCUPAZIONALE;
- TECNICO DELLA RIABILITAZIONE PSICHIATRICA;
- TECNICO ORTOPEDICO;
- TECNICO SANITARIO LABORATORIO BIOMEDICO;
- TECNICO SANITARIO DI RADIOLOGIA MEDICA;
- TECNICO DI NEUROFISIOPATOLOGIA

Iscrizione gratuita on-line sul sito www.bleassociates.it

Non potranno essere erogati crediti ai discenti non appartenenti alle discipline sopra elencate.

Per il conseguimento dei crediti formativi è indispensabile registrarsi presso il desk della Segreteria Organizzativa, ritirare il kit congressuale e la modulistica ECM. Verrà richiesto un documento per la verifica dell'identità in sede di registrazione. N.B. l'accesso ai corsi, convegni e congressi sarà consentito come da normativa vigente. È richiesto il massimo rispetto dell'orario d'inizio dei lavori. Trascorsi 15 minuti dall'orario indicato per la registrazione dei partecipanti è consentito l'accesso in sala solo in qualità di uditori. I crediti verranno rilasciati solo una volta verificata la presenza effettiva al 90% della durata complessiva dell'evento, la compilazione ed il superamento del questionario, la compilazione della scheda qualità. L'attestato ECM verrà inviato tramite email all'indirizzo fornito in sede di registrazione a partire dal 17 maggio 2023. L'attestato di partecipazione potrà invece essere ritirato presso il desk della Segreteria Organizzativa previa consegna del badge congressuale.

Responsabili Scientifici: Prof.ssa Francesca Pentimalli e Prof. Antonio Giordano
Project Manager: Carmen Battaglia

Bridging the gap between Research and Cure in Rare Gynaecological Cancers: Where do we stand?

17/18 Febbraio 2023

Aula Bottazzi, Università degli Studi della Campania "Luigi Vanvitelli"
Complesso Sant'Andrea Delle Dame, Via De Crecchio, 7 - 80138 Napoli

FRIDAY 17 FEBRUARY 2023

08.00 Registration Open

09.00 Welcome and Opening

Jean Calleja Agius, Renato Franco, Antonio Giordano, Maurizio Guida, Francesca Pentimalli, Prof. G. Nicoletti - Rettore dell'Università Degli Studi Della Campania L. Vanvitelli
Dott. F. Russo - Direttore Generale A.O.U. L. Vanvitelli

I SESSION

Basic and Translational Research: Present and Future

Chairpersons: Francesca Pentimalli, Domenica Lorusso

09.15 Investigation of antibody-drug conjugate-based treatments in epithelial ovarian cancer

Neil Conlon

09.40 Proteomics: A road map towards a clinical test

Sureyya Ozcan Kabasakal

10.05 Integrated omics analysis to identify biological mechanisms of gynecological cancers

Yashwanth Subbannayya

10.30 Personalized clinical management of ovarian cancer

Francesco Legge

10.55 Coffee Break

11.25 Personalized clinical management of endometrial cancer using the molecular approach

Irina Tripac

11.50 Fertility sparing in endometrial cancer: state of the ART and future perspectives

Valeria Masciullo

12.15 Translational science in fertility sparing procedures for endometrial cancer

Monika Sobocan

12.40 Gynecological cancer risk associated with ART technologies-prevention and management strategies

Gligor Tofoski

13.05 ART for patients who experienced gynecological cancer - how accessible is it?

Vera Dimitrievska

13.30 Light Lunch

II SESSION

Clinical trials: Designing Cures 2.0

Chairperson: Maurizio Guida, Silvia Zappavigna

14.30 The Clinical Trials Regulation in a Nutshell

Neville Calleja

14.55 New treatments for advanced metastatic cervical cancer

Domenica Lorusso

15.20 Neuroendocrine cervical cancer: have we made a step forward in treatment?

Aljosa Mandic

15.45 Cancer Registries & Clinical Practice

Riccardo Audisio

16.10 Coffee Break

16.35 The importance of robust data collection to steer clinical research

Gemma Gatta

17.00 Electrochemotherapy and vulvar cancers

Myriam Perrone

17.25 The Impact of Sarcopenia and Exercise Training on Skeletal Muscles in Patients with Rare Cancer

Francesco Pegreff

17.50 The rehabilitation of women with incontinence

Francesca Gimigliano

SATURDAY 18 FEBRUARY 2023

III SESSION

The difficult diagnosis: from classic method to digital pathology

Chairpersons: Antonio Giordano, Renato Franco, Marco Montella

09.00 Rare ovarian cancers

Gianfranco Zannoni

09.25 Molecular strategies to characterise rare gynecological tumors

Chiara Mignogna

09.50 From colposcopy to digital colposcopy with guidance from Spain to Uganda

Cristina Clare Gallego de Lary

10.15 Development and Validation of a Serum Metabolomic Signature for Endometrial Cancer Screening in Postmenopausal Women

Jacopo Troisi

10.40 Coffee Break

11.05 Antibody-modified nanomembrane for specific ultrasensitive detection for gynecological application

Evzen Amler

11.30 Immunohistochemical predictive markers of response to conservative treatment of endometrial hyperplasia and early endometrial cancer

Antonio Raffone

11.55 Identification of the first map describing the human and the HPV-16 viral genome interaction

Anna De Filippis

12.30 Light Lunch

13.30 ROUND TABLE

Pharma-Biotech: Challenges in the 21st century

Chairpersons: Jean Calleja Agius, Nicola Colacurci, Pietro Micheli

Panel members: Vito Chiantera, Luigi Coppola, Francesco Cosentino, Danica Cujic, Stephanie Darmanin, Massimiliano Galdiero, Klejda Harasani, Ylva Kaiser, Carlo Ronsini, Vanda Salutari, Sergio Sandrucci, Mariela Vasileva-Slaveva

14.45 Conclusions and Farewell

15.00 Coffee break

15.30 Management Committee meeting (MC COST members and substitutes only)

1. Welcome to participants, verification of the quorum and adoption of agenda

2. Information to the MC

- Recap of the minutes of the last meeting, e-votes and matters arising since the last meeting
- Action Membership: New Specific Organisations and COST Members represented in the MC
- Action Participation: WG membership and applications, New MC members/Observers and provisional substitution
- Budget status: summary from the Grant Holder

3. Follow up and discussion on the:

- Implementation of the COST Excellence and Inclusiveness Policy
- Grant Awarding by the Action
- Progress of each working group
- Science Communication Plan
- Progress on MoU Objectives, WG tasks, deliverables, and Goals for the current GP

4. Planning

- Work and Budget Plan of the current GP
- Upcoming activities : Presentation by Prof Riccardo Audisio on the Special Issue of European Journal of Surgical Oncology
- GYNO CARE Training School and Final Conference in Bulgaria, 2023 - Presentation by Dr Mariela Vasileva-Slaveva and Dr Angel Yordanov
- Innovation Grant

5. Monitoring and Reporting to the COST Association

6. Summary of MC decisions

7. Closing
